The U.S. Department of the Treasury and the Internal Revenue Service (IRS) have introduced regulations under Internal Revenue Code, Section 1446(f) regarding publicly traded partnership (PTP) securities held by foreign persons (individuals or entities). The regulation requires withholding 10% of gross proceeds from sales of PTP securities and certain distributions by PTPs. The transactions and related withholding tax will be reported on Form 1042-S, Foreign Person's U.S. Source Income Subject to Withholding. PTP withholding tax is separate from the existing 37% withholding for individuals and 30% withholding for entity accounts on payments of U.S. source dividends, interest, and other income related to PTP securities. For more information go to Publicly Traded Partnerships | Internal Revenue Service - Alpaca is not responsible for knowing your tax liabilities, as such you should consult with a tax advisor for any questions around these regulations.

For customers who opted into Alpaca’s FDIC Bank Sweep Program: Cash deposits at the banks shown are obligations of those banks. The deposit amounts are not direct obligations of ours and are not securities. SIPC does not cover customer cash balances held in banks covered by FDIC insurance - FDIC insurance applies instead. You are responsible for monitoring the total amount of deposits you have at each bank if you have deposits held there outside of our Insured Deposit Cash Sweep Account Program ("Program"), to determine the extent of FDIC insurance available to you. Each day, interest is calculated on the applicable balance and the daily interest amount is rounded to the nearest mil ($0.001). Therefore, no interest may be paid if the daily calculated amount is less than half a mil. Interest is paid out and posted once a month, generally in the third week of the month. The interest rate paid under the Program on cash investments in your account may vary or there may be no interest paid if your account is introduced by a broker partner who has a separate agreement with us for your account. The "Month End Cash Balances" figure includes only settled cash on deposit. FDIC holdings reflected in your brokerage account are FDIC insured up to applicable limits and held by one or more banks ("Program Banks"). Your current balance in the Program can be remitted to you upon request; fees may apply. We may, without your prior affirmative consent, modify our current Program, stop offering a Cash Sweep Account Program, change the product to which the cash in your account is automatically swept, or change the mechanism by which it is swept. For information about FDIC insurance and its limits, our participating banks as well as other important disclosures about our Program, please refer to our Disclosure Library at https://alpaca.markets/disclosures.

For customers who opted into Alpaca’s Fully Paid Securities Lending Program (FPSL): Your fully paid securities may be loaned out in exchange for collateral at least equal to their market value. Loaned securities may not be protected under the Securities Investor Protection Act of 1970. Participation in FPSL is subject to the program terms, please refer to our Disclosure Library at https://alpaca.markets/disclosures.
